Governor Cheered By Crowd

Escorted From Entrance Gate to Building by Cole Camp School Band

Gov. Phil M. Donnelly, today was greeted at the Missouri State Fair by a cheering crowd at the Administration building, upon his arrival there shortly after 10 o'clock. The governor accompanied by Mrs. Donnelly, and Brig. General John A. Harris, adjutant general of the Missouri State Guard, and Mrs. Harris, arrived at the fair gates at 10 o'clock.

The governor and party were escorted to the Administration building from the entrance gates by the Cole Camp band with Miss Mary Evelyn Thurman, 20, Kirksville, baton twirler of national reputation. Miss Thurman greeted the governor, and then took her place at the head of the band. She has held the national championship for baton twirling for seven years.

At the building Commissioner of Agriculture John W. Ellis, and Secretary of the Fair Ernest W. Baker, welcomed the governor and the party entered the building. A tour of various exhibits was made.

The governor at 11 o'clock presented the championship trophies to the Missouri State Fair babies, at a ceremony held in the grandstand.

Speaks To Grandstand Crowd
This afternoon the governor gave a talk in the grandstand preceding the racing program, and remained through the afternoon racing program. The party will return to the grandstand tonight to witness the horse show and the Ernie Young Revue.

Good Crows
State Fair attendance Tuesday was another record breaker over the 1942 exposition. The total paid attendance for Tuesday was 14,759 compared with 8,172 for 1942. The grandstand attendance for both afternoon and night performances was 9,461 compared with the same two performances of 1942 which was 1,531. There were 3,048 cars parked on the grounds during the day compared with 1,531 in 1942.

The total three day attendance this year was 48,487 compared with the same period of 1942 which was 35,533, an increase of 12,954.

Today's crowd up to noon indicates the attendance will surpass that of the opening day. The estimate of the crowd up to the noon hour was 13,000.

Baby Awards
Governor Phil M. Donnelly this morning presented a silver plate to Linda Louise Ruffin, highest scoring girl baby in the child health contest of the Missouri State Fair. The plate bears the inscription, "By Gov. Phil M. Donnelly to the highest scoring baby girl of 1945." Two-year-old Linda Louise is the daughter of Mr. and Mrs. Emmett Ruffin of Green Ridge.

To the highest scoring Blue Ribbon boy, John Edward McLaughlin, year old son of Mr. and Mrs. George McLaughlin of Kansas City, was presented a silver plate by Lt. Governor Walter Taylor Davis, who spoke briefly concerning the blessings of parenthood. He admonished parents to offer their children spiritual guidance in keeping with physical care.

Talk by Health Commissioner
Dr. R. N. James, state health commissioner, presented pins to the champion nine-point children during the contest. The boy was Charles Callis, son of Mr. and Mrs. W. B. Callis, Marshall, and the girl was Betty Joan Bodenhamer, daughter of Mr. and Mrs. W. R. Bodenhamer, Odesa. Champion Negro baby was Jean Marie Carter, daughter of Mr. and Mrs. C. Carter, 410 North Washington, Sedalia.

"The birth rate has increased during World War II," said Dr. James, "and it reached an all-time high in 1944. The state health board has helped to care for 27,000 mothers who are the wives of servicemen. The absence of epidemics in this war has been due to the precautions of medical science. However, forty per cent of the men examined for induction into military service have been rejected because of physical defects. This health clinic has been a step toward early prevention and correction of such defects."

Spotted Poland China
The spotted Poland China sows were placed on the opening of the fair.

Governor at Fair

Phil M. Donnelly, governor of the State of Missouri, and Mrs. Donnelly, are the honor guests at the Missouri State Fair today.

Airliners on Okinawa Await Sunday's Trip

All Ready to Carry Allied Forces to Japan

By Spencer Davis

OKINAWA, Aug. 22.—(P)—The greatest fleet of giant four-engine C-54 (Skymaster) transport planes ever assembled on one field spread over a two square mile area on Okinawa's Kadena airdrome today as the Army Transport Command concentrated airliners from all over the world here to execute an unannounced mission.

(The great concentration presumably is ready to carry Allied occupation troops into Japan. Tokyo said they would start landing Sunday.)
Scores of the big silver aircraft are parked double in the hardstands along the service aprons and taxi ways of Kadena where Lt. Gen. Jimmy Doolittle's Superfortresses were to have been based in an aerial offensive against Nippon.

Operations — a large tented structure with sandy floors — is crowded with pilots whose regular missions carried them 160,000 miles daily on air routes all over the world.

Another Mission In Sight
They had been called to this mighty island airbase from Cairo to Brisbane and from London to Honolulu and Manila.

Only flyers absent were those on the India-China run. They are needed for another mission.
Each incoming plane brought not only its own five-man crew but another crew and a half as spares and five ground force personnel.

There was a sudden concentration of 2,600 fliers, a thousand mechanics and 150 more administrative men to be fed, sheltered and supplied.

The operation is under the direction of Maj. Gen. William Ord Ryan, commanding the Pacific division of Lt. Gen. Harold George's Army Transport Command.

Sugar Stamp Valid Sept. 1

WASHINGTON, Aug. 22.—(P)—The new sugar stamp valid Sept. 1 will maintain the current ration—five pounds for four months.

OPA, it was learned today, plans to announce this shortly. The household ration has to stay tight because sugar supplies are so short. The total is about 25 per cent less than was available before the war.

And the supply is not expected to increase until some time next year, when imports climb.

The new stamp probably will be No. 38 in ration book four. OPA plans to skip over No. 37 because many housewives used it by mistake in applying for home-canning rations last year.

No Overseas Duty for Men With 75 Points

Age Limit for Overseas May be Cut Below 37

WASHINGTON, Aug. 22.—(P)—The army is banning overseas shipment of enlisted men with 75 or more discharge points.

At the same time, it was learned that the war department soon will direct all branches of the army to cut below 37 the age limit for overseas duty.

At present the ground forces are screening out of divisions slated for Japanese occupation duties all men 37 or older. The ground forces embrace all troops, including the infantry, except those in the service or air forces.

The latter two now are weeding out of redeployed units all men 38 or older.

Just how far the age limit may be reduced has not been determined. One problem is that men in the service forces, chiefly supply troops, are older on the average than those in the ground and air forces.

Enlisted men now can get out of the army upon request if they are 38 or have a point discharge score of 85, based on a rating system that grants credit for combat, service and dependency.

May Reudce Score

The announcement that men with 75 or more points are not being sent overseas indicates that the discharge score may be reduced to that figure. However, this may be done in two separate cuts because the army says the score must be geared to available shipping.

The department said the 95th and 86th divisions, the first two redeployed from Europe for service in the Pacific, were screened to eliminate all men with 75 or more points. The 37 year age limit also was used in screening the 95th but not the 86th, the department reported, because there was not sufficient time to make the necessary personnel changes after the discharge age was lowered from 40 to 38. The age limit in the 95th was 38.

Some men in both the 35th and 86th divisions have protested against being sent to Japan after having served in Europe. The 95th now is at Camp Shelby, Miss., and the 86th is on the west coast awaiting shipment to Japan.

Seek to Break Strike Deadlock

ST. LOUIS, Aug. 22.—(P)—The St. Louis Publishers' Association considered today a set of compromise proposals prepared by a conciliation committee seeking to break the deadlock in the week-old strike of 200 newspaper carriers over collective bargaining rights.

Neither the Post-Dispatch, the Globe-Democrat nor the Star-Times has published since last Thursday. Pressmen of the three papers will not cross the carrier's picket lines.

The carriers are adult owners and supervisors of distribution areas and routes.

Relax Order For Japs to Ground Planes

MANILA, Thursday, Aug. 23.—(P)—General MacArthur today relaxed his order for grounding all Japanese planes in order to permit Nipponese use of a minimum number of unarmed aircraft for liaison purposes in applying the surrender terms.

Tokyo radio yesterday disclosed MacArthur had grounded all Japanese aircraft when imperial headquarters transmitted a request for the use of some planes in "the prosecution of surrender requirements."

MacArthur replied "Japanese armed forces are authorized to employ to the minimum extent possible unarmed airplanes marked by red pennants for urgent requirements in connection with execution of surrender terms."

Atomic Bomb Casualties Are 480,000

Many Persons are Dying Daily From Burns Sustained During the Raids

The Tokyo radio said today the latest checkup on damage done by atomic bombs dropped on Hiroshima and Nagasaki showed that 480,000 persons were killed, injured or made homeless in the two Japanese cities.

The broadcast, recorded in New York by the Associated Press said the bomb which fell on Hiroshima on Aug. 6 killed or injured 160,000 persons and left 200,000 homeless. The bomb which hit Nagasaki on Aug. 9 left 120,000 casualties, the radio report said.

The broadcast said "Furthermore many persons are dying daily from burns sustained during the course of the raids. Since the raid on Hiroshima took place during working hours in the morning and the atomic bomb hit the central part of the city, casualties were tremendous, with more than 60,000 killed according to latest figures available."

More Are Dying

"The number of dead is mounting, as many of those who received burns cannot survive their wounds because of the uncanny effects the atomic bomb produces on the human body. Even those who received only minor burns looked quite healthy at first only to weaken after a few days from some unknown reason and frequently died."

"Since the explosion of the atomic bomb affected an area of 30 kilometers in diameter and practically all houses in this area were either blown up, knocked down or reduced by fire, it is difficult to count all of the bodies, many of which are buried under collapsed buildings. The sight of women and children wounded by the explosion defies description."

Hit Factory Area

The radio report said the bomb hit a factory area on the northern side of the Nagasaki station and although topographically parts of that city did not receive a direct concussion from the explosion all windows and doors in these more remote parts were shattered or blasted, with the result that almost the entire city was affected by the raid."

Hunting a Home for Manual Arts Teacher

The board of education and Heber U. Hunt, superintendent of schools, have their problems. At present they are looking for a four, five or six room unfurnished house.

They have no manual arts teacher, but they can employ one, a resident of Parsons, Kas., whose family consists of his wife and two children. Before the instructor will agree to come to Sedalia he wants to be assured of a place to live and the school board and Mr. Hunt are making a search for one.

Liberator is Enroute to Get Wainwright

Japanese Red Tape Delaying Him Was Cut by Russians

CHUNGKING, Aug. 22.—(P)—Japanese red tape delaying Lt. Gen. Jonathan M. Wainwright's departure from Manchuria, where he has been a prisoner of war, apparently was cut today by Soviet authorities.

A message from an American airborne humanitarian team at Mukden quoted Russian officers as saying last night that a B-24 Liberator was en route to Hsian, 100 miles to the northeast, to fetch Wainwright, who has been a prisoner there with seven Americans and 26 other Allied nationals.

It was expected here that the hero of Corregidor would be flown to Chungking shortly after his arrival in Mukden. American authorities were known to be working to expedite his transfer to Chungking and no further difficulties were foreseen.

The Japanese, apparently fearful of taking any action that might cause difficulties with the Russians, previously were reported delaying Wainwright's departure pending Soviet approval.

Oust Japanese Guards
The humanitarian team at the Mukden prison camp also disclosed that a Russian mission which arrived there last evening had immediately ousted the Japanese guards and placed Maj. Gen. Geo. M. Parker, Jr., ranking American officer at the camp, in full charge.

Parker was captured during the battle of Bataan peninsula.

Reports from the other humanitarian team at Peiping said all internees there — including 117 Americans, 133 Netherlands — and a number of Britons — had been moved into hotels. The condition of the internees was said to be as good as could be expected and medical arrangements were described as very satisfactory.

The team at Wehsien in Shantung province asked for additional medical supplies but said there was no great emergency. The internees there held a dance last night in honor of the team.

A team of 22 Americans and Koreans who landed at Keijo Korea, in the midst of 50,000 Japanese troops in an unescorted, unarmed transport plane was requested to leave the next day by Japanese military authorities, who moved up tanks and mortars. This group intended to make preliminary arrangements for evacuation of prisoners and to take their relief supplies.

Prisoners Health Good

The plane left Keijo for Wehsien, where 1,528 internees, about half of them women, are quartered. The general health of the internees there was reported good. Lt. Gen. Albert C. Wedemeyer's headquarters, meanwhile, said the names of liberated war prisoners were being compiled as rapidly as possible and that some already had been transferred to Washington, whence notification would be sent to relatives.

Headquarters said that thus far the name of Lt. Col. James Devereux, leader of the heroic marine stand on Wake island in 1942, had not yet appeared on any of the lists.

(The American Broadcasting Company previously had reported from Chungking that Devereux was safe in a camp at Peiping.)

Legless Veterans Form Corporation

BRIGHAM, Utah, Aug. 22.—(P)—Sixty-five legless veterans of the second World War have formed a corporation at Bushnell army general hospital and are planning to recruit men from six other army amputation centers in the nation.

The organization is called "Blanca," meaning the Bilateral Amputee Club of America.

Its president, Pfc. Ralph K. Stewart, Jr., of Ponca City, Okla. who lost his leg in a land mine explosion in Europe, said: "We feel we have a basis for companionship which we don't want to lose."

FORT LEAVENWORTH, Kas., Aug. 22.—(P)—With a cry of innocence still on his lips, Pvt. Edward J. Reichl, 39, of Chicago, went to his death on an army gallows at 12:08 a. m. (Central War Time) today for the murder of a fellow soldier, Nov. 17, 1943, at Guadalupe, California.

"I am not guilty of the charge of pre-meditated murder. It was a drunken shooting," Private Reichl protested. Then, turning to five

Manchurian Puppet Emperor Reported in Russian Hands

Robbery at MPSC Ice Plant

The Missouri Public Service Co. ice plant at 300 block on West Main street, was robbed sometime between 10 o'clock Tuesday night and early today by a thief who took \$163 in cash and about \$200 in checks from the company safe.

Entrance to the building was believed to have been gained by forcing the front double doors.

According to the police report, the safe was unlocked except for a cash drawer. A key kept in the building was obtained by the thief to unlock this drawer to get the money.

An attempt was made to break into a filling station at Broadway and Engineer avenue, operated by J. L. Goodson, by prying the front door. Entrance to the place was not gained.

A gasoline pump handle was broken off when the thieves endeavored to force the pump. Nothing was found to be missing.

Police discovered this burglary attempt in making the early morning check of outlying business houses.

Lower Points On AAF Officers

WASHINGTON, Aug. 22.—(P)—The Army Air Forces disclosed today that AAF officers with 35 to 70 discharge points, depending upon rank, are being released upon request.

All AAF officers 42 years of age or older, regardless of the number of points they have, also are being discharged upon request.

The system was first disclosed by the Fourth Air Force at San Francisco and AAF headquarters here confirmed that it is being used throughout the air force.

At present, enlisted personnel must have 85 discharge points—based on combat, service and dependency—before they are eligible for release. However, this may be cut. The 85 score was set by the War Department for all branches of the army.

An air force spokesman said the AAF officers were being released under the 36 to 70 point system because surpluses of officers had developed in some classifications and their duties are overlapping. Certain officers with critical skills, such as radar operators, and other specialists, are being retained.

The points required for discharge of AAF officers are 70 for captains and higher rank; 58 for first lieutenants; 42 for second lieutenants; 36 for flight officers and 65 for warrant officers.

LONDON, Aug. 22.—(P)—BBC in a broadcast asserted today that Henry Pu Yi, whom the Japanese established as puppet emperor of Manchuria now "is in Russian hands." The source of the information was not given.

MOSCOW, Aug. 22.—(P)—Russian dispatches have not yet disclosed whether the Red Army has captured any Chinese puppets who held offices under the Japanese in Manchuria. Individual reports from correspondents, however, said the collaborators had fled.

No report has been received here about Henry Pu Yi, last boy emperor of China, whom the Japanese established as puppet emperor of Manchukuo (Manchuria). Pu Yi was deposed in China in the 1911 revolution in which Sun Yat-sen established a Republic. Dispatches have suggested that Pu Yi had gone into hiding.

CHUNGKING, Aug. 22.—(P)—Chinese quarters indicated today that Henry Pu Yi, whom the Japanese call Emperor Kangte of their puppet state of Manchukuo, probably would be treated leniently if and when he is captured by the Allies.

All along most Chinese have considered Pu Yi, who, as the boy emperor Hsuan Tung, was the last occupant of China's imperial throne, to have been a hapless, hopeless puppet without the character of courage to resist the Japanese.

It is believed he might have fled from Hsinking (Changchun) immediately upon Russia's entry in the war to some spot which he and his retainers regarded as comparatively safe from bombing.

Briggs to Talk At Bloomfield

BLOOMFIELD, Mo., Aug. 22.—(P)—Senator Frank P. Briggs will speak at a Democratic rally here tomorrow night after which he will leave for Washington. Congress will reconvene Sept. 4.

Others to speak include Wilson Bell, secretary of state; J. E. Taylor of Jefferson City, Harry C. Blanton, U. S. District attorney and Paul C. Jones, chairman of the state highway commission.

Serving now in the senate by appointment, Senator Briggs will have to go before the Missouri voters in the general election next year to hold his office. Ye-well Lawrence, Stoddard county Democratic leader said an effort is being made throughout the state to avoid opposition to Sen. Briggs in the August primary.

Quisling Denies Contacting Nazis

OSLO, Aug. 22.—(P)—Hollow-cheeked Vidkun Quisling, fighting charges of high treason, denied today that he traveled to Copenhagen early in 1940 to meet German officials and discuss with them the Scandinavian military situation.

The former puppet premier of Norway told the court before which he is on trial for his life that he met Danish Nazi leader Fritz Clausen but at no time did he contact "a certain German colonel" to discuss the situation in Norway.

MacArthur Discloses Terms of Surrender; He Will Land in Japan on August 28

By Russel Brines

MANILA, Thursday, Aug. 23.—(P)—Gen. MacArthur announced today that a double barreled landing in Japan next Tuesday will send troops ashore near Tokyo backed by the full power of the American fleet in Tokyo bay while he lands with airborne troops at the nearby Atsugi airdrome.

The supreme commander of Allied occupation forces made this disclosure in announcing surrender instructions to Japan.

Paratroops will descend at Atsugi, about 10 miles from Tokyo, while naval and marine forces simultaneously go ashore near Yokosuka, sight of one of Japan's three largest naval bases. Yokosuka is on Sagami bay, near the mouth of Tokyo bay.

Signing of the surrender instrument, the instructions said, "will be in the Tokyo area on August 31."

There has been speculation that this historic act would take place on some American warship, perhaps in Tokyo bay, but today's instructions did not support this.

The Japanese government and the army general headquarters were ordered to put MacArthur's directives into effect at 6 p. m., Friday, (5 a. m. Friday Eastern War Time).

No Landing Planes

MacArthur's directive made no mention of plans for an Allied airborne landing at Atsugi airdrome Sunday, as was stated in Tokyo radio's broadcast of the occupation schedule yesterday.

However, MacArthur's announcement did confirm the Tokyo radio statement that Allied air operations would begin over Japan Saturday. The directive said the aircraft would conduct day and night surveillance flights over Japan and Japanese controlled areas.

All Nipponese military, naval and civilian aircraft must remain out of the air until the Allies notify the Japanese of their disposition.

MacArthur's instructions, given the Japanese emissaries who came to Manila Sunday and returned to Tokyo Monday, also said that all merchant ships in Nipponese waters must be maintained without damage and undertake no movement.

Explosives Overboard

Vessels at sea were instructed to immediately throw overboard all explosives.

Coastal vessels under 100 tons in civilian supply work were exempted from the "no movement" order.

All Nipponese ships at sea must report their positions immediately to the nearest United States, British or Soviet radio station, and then proceed to the nearest Allied port or to one specified by the commander in chief of the U. S. fleet.

Japanese or Japanese-controlled submarines everywhere will remain surfaced, flying a black pennant and showing lights. Under instructions the submarines must proceed to certain designated ports in Pacific islands and in the Philippines.

Preserve Safety of Prisoners

The safety and well being of all United Nations prisoners of war and internees will be "scrupulously preserved." It was specified that this includes adequate food, shelter, clothing and medical care until MacArthur takes charge. It also specified that local delivery of American dropped supplies will be insured.

Each camp or place of detention will be marked with 20-foot high letters "PW" (meaning war prisoners).

MacArthur's instructions directed the removal of all mines, minefields and other obstacles to "the safe movement by land, sea and air" into Tokyo bay effective at 6 p. m., Saturday, Aug. 25 (Japan Time).

MacArthur also directed the re-establishment and maintenance of all navigational aids, continuance of piloting service and the duties of naval and other personnel concerned with the operations of ports.

Plane 'Machine Guns' Shoot Seeds Into Ground

The airplane will make easy one of the most arduous of farm jobs—that of planting crops, according to Dr. Lytle S. Adams, Los Angeles inventor of the aerial pickup system and designer of the airplane planter shown in diagrams above. Under this plan, seed is first made into pellets with fine clay mixed with fertilizer and insect and rodent repellent. These seed "pellets" would be fed by gravity from a bin in the fuselage into a rapidly rotating rimless wheel whose spokes are hollow tubes. Weight of the pellets and speed of the wheel would imbed the seed in the soil at depths satisfactory for germination, says Dr. Adams, who claims that as many as 14,545 acres could be sowed per hour. The device also can be adjusted for row planting. The aero-sower is reported especially useful in sowing fields to sugar beets, fodder turnips, alfalfa and other pasture grasses and other products requiring no cultivation. The essential features of the system are shown on the diagrams above, based on data prepared by Air Trails Pictorial Magazine.

Tires to Match Gasoline Soon

By Sterling F. Green

WASHINGTON, Aug. 22—(AP)—The driver who wants more tires to match his unlimited gasoline may look for a break within 90 days.

That is the word today from WPB officials. They predict that tire production might jump to 4,000,000 a month in the October-September quarter compared with this month's 2,000,000.

Although wary of saying that this gain would put an end to tire rationing, OPA and WPB officials alike admit a hunch that it might—perhaps within two or three months.

Substantial improvement in the truck tires will come much sooner, in perhaps 30 days. WPB also is negotiating with the army for

release of some military stocks for commercial use.

As production officials prepared to meet with industry leaders here next Tuesday for a reconversion parley, the WPB people had this to offer on the rubber outlook:

Chances are, you haven't seen your car from this revealing position since the last time your modest Aunt Nellie lifted her skirts above her knees!

Ever See Your Car BOTTOM-SIDE-UP?

Brother, if you want to know the shocking facts of car-life, just sneak a look at your bus from underneath-up! And don't let a shiny hood fool you. It's what you usually can't see that can hurt you!

For instance, take that spring shackle, crummy and crusted with the mud and grime of miles of dusty roads... or that dry, rusty spring... or that tattered muffler, just hanging on by a thread... or that worn, bone-dry tie-rod.

There's plenty more you could see—plenty your Phillips 66 Service Station Man

And he knows, probably better than any one, just how important over-all, underneath lubrication is today! He knows that a loose nut, a broken pin or shackle, can often mean the loss of your car—and it may mean the loss of your life!

An awful lot of cars are going to wind up on the junk heap in the next few months. Don't let yours be one of them! Care for your car for your country! Wherever you see the Orange and Black Phillips 66 sign—drive in and let an expert take that added ounce of precaution which can mean so much to you.

Stationed at Fort Douglas

FT. DOUGLAS, Utah—Stationed at this post as a member of the permanent cadre of the Personnel Center is M/Sgt. Robert H. Atkins whose parents, Mr. and Mrs. Lyle W. Atkins live at 614 Broad street, Warrensburg, Mo. Assigned to the Separation Center as Sergeant Major, he is responsible for the administrative function in the office of the Chief of Administration and the office of the Commanding officer, and otherwise assists in rendering prompt service to the thousands of soldiers from widely scattered fronts of the world who are passing through the personnel center for discharge.

Before joining the army in December, 1940 Sgt. Atkins was a student at Central Missouri State Teachers college, Warrensburg, Mo. His wife, the former Miss Betty Connelly lives at 1988 McClelland street, Salt Lake City, Utah and is the daughter of Mr. and Mrs. George T. Connelly, 1220 West Fourth street, Sedalia, Mo.

The Personnel Center in which Sgt. Atkins is employed handles the processing of personnel sent here in the course of induction, discharge and redeployment. Soldiers discharged here are paid in full and counseled in the Separation Center with regard to the problems of readjustment to civil life. Those who are redeployed for operations in the Pacific are given 30 days furlough after Reception Station No. 12 has processed them for their new assignment. The Induction Station provides physical examinations for new recruits and administers the oath of enlistment, after which the Reception Center issues uniforms and equipment and ships them to a basic training center.

The Gang Was Not All There

NEW YORK, Aug. 22—(P)—The gallant fighting men of the 30th Old Hickory division, heroes of the Battle of the Bulge, were back on American soil today after 10 months of bitter warfare. The young, combat-hardened veterans lined the rails and crowded the portholes of the great grey liner Queen Mary as she nosed into New York harbor late last night beneath a full moon.

It was the greatest, noisiest welcome since V-E day for returning troops. Bands and boat whistles serenaded them and hundreds of harbor craft outlined their giant vessel with search lights. Thousands lined the shore to cheer and wave.

Aboard a "Welcome Home" boat, 200 girls began to sing: "Hail, hail the gang's all here." But the song died quickly as the cutter's captain quieted them. "Not that song, please," he said. "They don't like it. All of that gang is not here."

Prize Winners in 4-H Roundup

The recently-organized 4-H club of Clifton City participated in the annual "Round-Up" held last Wednesday at Pilot Grove, returning with one blue ribbon and two reds.

Miss Beulah Stone, food project leader, received second place in a demonstration of making oatmeal cookies. Norman Todd won first in the good grooming contest and Bobby Joe Stone second.

Others who accompanied the group were Mrs. G. V. Streit, assistant food project leader, and Mrs. George Knox, assistant community leader.

Miss Gertrude Melton, 323 West Fifth street, entertained at a 7:00

Society and Clubs

The home of Mr. and Mrs. Geo. Rappaport, near Hughesville, was the scene of a pretty wedding at 3:30 o'clock Tuesday afternoon, when their daughter, Susan Virginia, became the bride of Staff Sergeant James Ernest McNeil, son of Mrs. Charles Andrew McNeil and the late Doctor McNeil.

The marriage ceremony was performed by the Rev. Fordyce E. Eastburn, rector of Calvary Episcopal church, in the presence of relatives and a few close friends.

Prior to the ceremony Miss Marian Smith and Mrs. John M. Rodeman, pianist and violinist respectively, played Schubert's "Ave Maria" and "At Dawning" by Cadman.

As Miss Smith played "The Bridal Chorus" from Wagner's "Lohengrin," the bride, on the arm of her father, descended the stairs and proceeded to the living room, where she was awaited by Sergeant McNeil.

As the vows were spoken the couple stood before the fireplace, an improvised altar, the mantel was banked with palms and baskets of white flowers, a candelabra on either side, holding white lighted tapers. The candles were lighted by James R. Scarritt, of Kansas City, a cousin of the bride.

Miss Wilkerson, now Mrs. McNeil, chose for her wedding costume a beige crepe dress, fashioned with long sleeves and street-length. Her hat was brown, feathered, her accessories were of brown and her flowers orchids.

She was unattended, as was the bridegroom.

At the conclusion of the ceremony Miss Smith played Mendelssohn's wedding march, and a small reception, attended only by the wedding guests, followed.

Flowers were placed throughout the home, a basket of pink lilies in the hall, white flowers on the sideboard. The dining table was covered with a lace and linen banquet cloth, silver candelabra held white candles, and the wedding cake in the center was surrounded by white flowers intertwined with greenery.

Assisting at the reception were Mrs. A. D. Scarritt, Mrs. David Powell, Mrs. George McLaughlin, and Mrs. William James, of Kansas City, Mrs. W. F. Keyser, Mrs. William Seelen, Mrs. Cline Cain and Miss Corinne Taylor.

Out-of-town guests were: Mr. and Mrs. David H. Powell, Mr. and Mrs. A. D. Scarritt and son, James R. Scarritt, Mrs. George McLaughlin and Mrs. William James, all of Kansas City, and Mr. J. M. Thomson, Savannah, Ga.

Sgt. and Mrs. McNeil left for a short honeymoon.

Sgt. and Mrs. McNeil are graduates of Smith-Cotton high school, and were members of the same class. Mrs. McNeil, one of the leaders of the younger social circle, was graduated from Lindenwood college, St. Charles.

Sgt. McNeil attended Washington university, St. Louis, and the Chillicothe Business college. Prior to entering the armed forces he was teller at the Union Savings bank, and is now on leave of absence. He entered the ordnance department of the army in March, 1942, and recently returned after serving 16 months overseas.

Mrs. F. G. Knerl, 920 South Monticue avenue, entertained Friday night with a party in honor of the thirteenth birthday anniversary of her daughter, Donna Rae.

Games were played during the evening with prizes going to Wanda White and Joyce Kubli.

Guests were Dorothy Ann Reed, Bobby Rice, Mary Alice Sheffield, Jo Ann Zink, Shirley Kanter, Mimi Hale, Mary Ann Johnson, Joyce Kubli, Wanda White, Louise Nan Chasnoff, Lydia Wagner, and Madge Cloney.

Refreshments were served during the latter part of the evening. Mrs. Knerl was assisted in entertaining by Misses Mary Brady and Dorothy Knerl.

Misses Betty Jean and Marilyn Smith of Chicago, who have been in Clifton City several weeks visiting their grandparents, Mr. and Mrs. R. G. Smith, and an uncle and aunt, Mr. and Mrs. Oliver Bridges and family, were joined last week by their parents, Mr. and Mrs. Rea Smith.

On Sunday a picnic dinner and reunion were held at Liberty park, Sedalia, in their honor.

The following relatives attended: Mr. and Mrs. Rea Smith and daughters, Betty Jean and Marilyn, Mr. and Mrs. Oliver Bridges and daughter, Marva, Mr. and Mrs. R. G. Smith, Mr. and Mrs. B. Streit and sons, G. V. and Frank Griffin, and daughter, Evelyn, Clifton City; Mrs. Dolly Griffin, Ottumville; Mr. and Mrs. Clyde McCarty, Independence; Mr. and Mrs. W. E. Lamm, Mr. and Mrs. Ed Sawford and family, Mrs. William Sawford and family, Mrs. Fannie Green, Mr. and Mrs. William Green and daughter, Mr. and Mrs. M. O. Green and family, Mr. and Mrs. J. E. Meuschaney, Mr. and Mrs. F. O. Meuschaney and son, Mr. and Mrs. Floyd Schleusing and family, Mr. and Mrs. Millard Wagenknecht and family and Mr. and Mrs. William Neumeyer, Smith-ton.

Mrs. Ethel Griffin and daughters, Mr. and Mrs. Parker Keyes and the former Miss Lenora Griffin and daughter, Sedalia; Miss Millicent Griffin, St. Louis.

Miss Gertrude Melton, 323 West Fifth street, entertained at a 7:00

o'clock dinner Tuesday evening at the Sedalia Country club in honor of Mrs. Bruce Whittier of Chicago. Guests included Mrs. Harry Welch, Mrs. William Schien, Mrs. Henry Menefee, Mrs. Harvey L. Keens, Mrs. Herbert Abney, Miss Julia Knight and Lieut. Alice Yeomans.

Bouquets of garden flowers decorated the dinner table.

Mrs. John T. Stanton of Hughesville entertained with a dinner Sunday in honor of her husband, who received his discharge from the army August 15.

The following were present: Mrs. Sadie Stanton, Mr. and Mrs. Fred W. Taylor of Sedalia, Mr. and Mrs. Emory Killion and children of Dresden and Mr. and Mrs. L. E. Killion. Afternoon visitors were Mr. and Mrs. Ray Kirchhoff and family of Concordia.

Stanton, as a private first class, served overseas since January of this year—in Dutch New Guinea, the Dutch East Indies and the Philippine islands. He left Sedalia with the National Guards, 128th Field Artillery, in 1940.

Mrs. Stanton and son have been staying with her parents, Mr. and Mrs. L. E. Killion, of Hughesville.

Miss Joan Drohman of Los Angeles, Calif., daughter of Mr. and Mrs. Frank McMackin of Sedalia, and Pte. Eual H. Whiteman, son of Mr. and Mrs. L. E. Whiteman, 1515 South Stewart avenue, were married Sunday, August 12, in a double ring ceremony performed by the Rev. A. W. Kokendoffer at his home, 908 South Ohio avenue.

Their attendants were Mrs. McMackin, the bride's mother, and Earl Evans.

The bride wore a white two-piece town suit with white accessories and a corsage of red roses.

Mr. and Mrs. Eual Whiteman, will leave Friday for the west coast and will reside in Los Angeles, Calif. The bridegroom, who served with the 82nd airborne division, was overseas 23 months, returning to the United States a month ago from Europe.

Mrs. P. A. Carry was pleasantly surprised when relatives and friends met at the Carry home in Clifton City, bringing baskets of food, to assist in celebrating her birthday anniversary. Sharing honors with Mrs. Carry was a brother-in-law, W. W. Hanna, of Booneville, whose birthday anniversary also is in August.

The honorees received many useful gifts.

Mr. D. W. Thomson and his sister, Miss Mary Thomson, 521 1/2 West Fifth street, have as their guests their brother, J. M. Thomson of Savannah, Ga., and Mr. and Mrs. A. D. Scarritt and son, James R. Scarritt, and Mr. and Mrs. David Powell, all of Kansas City, who were guests Tuesday afternoon at the wedding of Miss Virginia Wilkerson and Staff Sergeant James E. McNeil. Mrs. Scarritt and Mrs. Powell are nieces of Mr. Thomson and Miss Thomson.

Mrs. George C. Hoffman and her daughter, Mrs. A. J. Harlan, 824 West Broadway, entertained 16 guests at the Game Day luncheon Tuesday at the Heard Memorial clubhouse in honor of their out-of-town visitors, Mrs. Allen P. Hoffman and Mrs. John Coussely of Texarkana, Ark., and Mrs. Hugh Burke of Dixon, Ill.

Thirty-six women attended the final summer Game Day luncheon Tuesday at the Heard Memorial clubhouse. Games were played in the afternoon by the various groups.

The weekly event will be resumed September 11.

Included among the out-of-town guests were Miss Lena Bruce of Kansas City; Mrs. B. M. Hafner of Hannibal; Mrs. S. E. Boyle of Chicago and Mrs. True Morse of St. Louis.

Mrs. Susie Meinberg was surprised Monday evening to find herself the honor guest at a neighborhood birthday party given at the home of Mr. and Mrs. John Corley 1941 East Sixth street.

Mrs. Meinberg had been invited to the Corley home to a chicken dinner in celebration of her birthday anniversary, thinking she would be the only guest, but upon her arrival she found all of the neighbors there with well-filled baskets.

Honors were shared with other neighbors whose birthdays were this month. They were Mrs. Frank Sedlak, whose birthday anniversary was last Saturday which was the same day as Mrs. Meinberg, Jim Hurt, whose birthday anniversary was Monday; Mrs. Harvey Swan, next Friday; Mr. Swan, July 30; Chas. Weidner, Aug. 24, and Lawrence Mehl, Aug. 28.

Those attending the party were: Mrs. Meinberg, Mr. and Mrs. Ed Fowler, Mr. and Mrs. Roy Eirls, Mr. and Mrs. Frank Sedlak, and children, Rosemary, Betty and Joan, Mr. and Mrs. H. H. Swan and granddaughter, Barbara Jean Swan, Mr. and Mrs. Jim Hurt and daughter, Hazel, Mr. and Mrs. Charles Weimer and daughter, Marian, Miss Frances Mehl, Lawrence Mehl, Mr. and Mrs. Frank Mehl and children, Catherine Ann and Jimmie, Mr. and Mrs. Ed Mehl and daughter, Barbara, Mr. and Mrs. Conrad Lang and daughter, Betty, Mr. and Mrs. Harry Meyer, Mr. and Mrs. Arthur Phillips, and Mr. and Mrs. John Corley and children, John Cecil, Betty Marie, Nancy Lee and Edwin B.

Silver Star Award Given Posthumously

Grover C. Stephens of Pleasant Green has been informed of the posthumous award of the Silver Star to his son, Sgt. Leo J. Stephens of the coast artillery corps.

The citation follows: "For gallantry in action in the vicinity of — on 24 November 1944, at which time the battery tactical position was being subjected to an extremely heavy shelling from heavy German guns."

"Sergeant Stephens, hearing the cries for help from one of the members of his gun section who had been wounded, responded promptly, left his place of safety and made his way in the dark amid shellfire, to the side of the wounded man, that he might render whatever aid he could. He remained in this exposed position, continuing to assist and direct evacuation of the wounded man until he himself received mortal wounds from another shell explosion."

"Sergeant Stephens, by his courageous action and without regard for his personal safety, exhibited the highest traditions of the military service and acted as a great inspiration to the men whom he served for many months."

"Edward F. Witsell Major General Acting The Adjutant General" Mr. Stephens was informed that the decoration will be forwarded to the commanding general, Seventh Service Command, Omaha, Neb., who will select an officer to make the presentation.

Misdemeanor Charge Filed

Information filed in the federal district court at Jefferson City against the Third National bank, of Sedalia, charges the bank with a misdemeanor. It alleges the bank has violated the Fair Labor Standards Act of 1938, with reference to wages paid employees and failure to keep an accurate daily time record on work by employees.

Papers were served on Henry R. Harris and C. L. Hanley, chief executives, Tuesday. They gave bond of \$1,000 each, and the hearing on the information was set for October, to be held in federal court in Jefferson City.

Henry C. Salveter represented Mr. Harris and Mr. Hanley in Jefferson City today.

All craft of whatever type in the Tokyo bay area and approaches are to be disarmed and immobilized and all weapons in the "area of initial evacuations" are to be rendered inoperative.

Fined \$25 in Traffic Case

Wesley Buckner, 511 West Second street, driver for the Harrison Cab Co., pleaded guilty in police court this morning and was fined \$25 on a charge of reckless driving.

Police officers Neitzert and Clark arrested Buckner while he was driving east on Broadway and going approximately 50 miles per hour. The arrest was early this morning.

Four other taxicab drivers have been arrested on similar charges and a drive to slow up driving in Sedalia is having its effect with the \$25 fine assessment, but it does not slow up more quickly, City Attorney Ilgenfritz announced the fines will be raised to \$50, and if that doesn't stop it, jail sentences may be imposed.

The arrangement, furnishings and equipment of our funeral home combine beauty and efficiency—with a proper respect for the comfort and privacy of the bereaved.

OBITUARIES

Mrs. Dora Hill

Mrs. Dora Hill, 72 years old, died at the home of her daughter Mrs. William Schumaker, 527 North Grand avenue at 6:35 o'clock Tuesday evening following an illness of seven weeks.

Mrs. Hill was born in Benton county October 1, 1873, the daughter of the late Richard and Louisa Faler Bishop. She lived her entire life in Benton county until three years ago when she came with her daughter.

She was married to Leslie Hill Sept. 27, 1885 at Warsaw. Mr. Hill preceded her in death in 1932. Three children also preceded her in death.

She is survived by five daughters, Mrs. Wm. Schumaker, Mrs. Harry Schumaker, Mrs. Mollie Freund, all of Sedalia; Mrs. C. E. Tonjes, Green Ridge, Mrs. Olen Barb, Warsaw; two sons Jas. and Alfred Hill of Kansas City. Twenty-three grandchildren and twelve great grandchildren and one great, great grandson also survive.

The body is at the Ewing funeral home, where funeral services will be held at 12:30 p. m. Thursday, with a member of the Latter Day Saints church of Kansas City to officiate. Burial will be at Faler cemetery, south of Warsaw, in the family lot.

Six grandsons will serve as pallbearers.

John W. Wiegand

John W. Wiegand, who suffered a heart attack Sunday died at the home of his sister, Mrs. Roy Williams, 701 West Second street, at 12:25 o'clock today.

Mr. Wiegand was born in Alto, Ill., August 6, 1884, the son of the late Henry and Emma Wiegand.

Surviving are three brothers, Jess and Joe of Sedalia and Roy of Albuquerque, N. M., and four sisters, Mrs. Roy Williams, Mrs. Fred Brink, Mrs. Marvin Lankeau and Mrs. Floyd Knerl, all of Sedalia.

The body was taken to the Gillespie funeral home. Funeral arrangements have not been completed awaiting word from the brother in New Mexico.

Mrs. John M. Bente

Mrs. John M. Bente, 81 years old, died at her home in Ottumwa at 11:50 o'clock this morning after being in failing health since April and bedfast one month.

The former Anna Elizabeth Hupp, daughter of the late Mr. and Mrs. Aaron Hupp, she was born November 6, 1863, on a farm near Morgan county, and moved to Ottumwa in 1880, where she had since lived.

November 27, 1897, she was married to Mr. Bente and they were parents of two children, Mrs. Raymond R. Goddard, 406 South Quincy avenue, Sedalia, and Harrison Hupp Bente, who died in infancy.

Surviving other than the daughter and son-in-law, Mr. Goddard, of the same address, are the following nieces and nephews: Claude Hupp, New York City; Homan Hupp, Raton, N. M.; Misses Lois and Milo Bente, Ottumwa; John and Blair Bente, Kansas City; Saunders Bente, Waukegan, Ill.; Otey Bente, Elgin, Ill.; Mrs. Jack Kohn, Minneapolis, Minn.; Charlie H. Hupp, Mercedes, Tex.; Ike G. Hupp, Woodward, Okla.; Mrs. J. G. Cox, Alamo, Tex.; and Mrs. Mary E. Watts, Ottumwa.

The body was taken to the Parker funeral home in Ottumwa and will later be returned to the family home.

Funeral arrangements are incomplete.

Austin S. Ball

Austin S. Ball, 61, brother of Lester L. Ball, 629 East Tenth street, died unexpectedly about 1:30 o'clock Saturday afternoon at his home in Camden town of a heart attack. He was operator of a cafe in Camden town where he had resided for the last five years. He is survived by the widow.

Quisling in Trandum Forest

Monday of the show at the State Fair; and though restricted to junior animals, the quality of those exhibited was excellent with most classes well-filled. Theodore Anderson, Montreal, superintendent, and Harold Boucher, Brunswick, assistant, expressed satisfaction with entries, many of which were made late. Prizes were double because awards were given for open and Missouri classes.

Judges were L. A. Weaver, Columbia; Clifford Breeden, LaFayette, Ind.; and William Reneker, Chicago, Ill. Prizes were evenly distributed among exhibitors. A winner from this locality was Miss Ann, junior sow pig entered by Edward J. Eckhoff and son, of Sweet Springs, which received fifth award in its class. Another winner shown by the Eckhoffs was a third-ranking group of four junior pigs of the national spotted Poland China breed special.

Apiary Awards

Two long time honey and bee exhibitors made a contest in the apiary awards of the 1945 Missouri State Fair show. William Brengarth and Carl Neef, both of Booneville, pronouncing 1945 only a fair season, had displays in most divisions. William McCune, Spring Fork, won first with both the Langstroth-size and 2 shadow-depth frames of white sealed honey.

Included in Neef's and Brengarth's prize winning displays were table arrangements for stores, light extracted honey, amber extracted honey, white candied honey, white beeswax and banded Italian queens with bees.

Honey cookery had heavy entries both in the apiary show and in the household science department of this year's fair, the principal prize winners being Mrs. George Landis, route 3, Sedalia, Mrs. Ervin T. Moon, Glensted, Mrs. W. C. Pierce, St. Louis and Mrs. Harold Stahl, Ottumwa.

Gay Diemer of Liberty judged the apiary show and Mrs. Nellie Couch, Linn, judged the honey cookery products. J. A. Denning, Jefferson City, is superintendent of the department.

Mule Show

Among the winners in the 1945 mule show at the fair are some of the finest animals ever shown at a Missouri exposition, said Harry D. Linn, Des Moines, Ia., judge Claude Willet, Kansas City, superintendent, and Edward Collier, Hughesville, assistant. All exhibitors were from Missouri.

C. W. Heath, King City, showed the grand champion mule, a three-year-old. He also had the best pair, the best five, and the best in harness.

A winner from this part of the state was Rolla R. Jones, of Calhoun, a well-known Henry county mule fancier. His Fern was judged fourth among mare mules, three years old and under four, and Fanny won third award in the two-year-old mare class.

Students Judging Program

The highest individual score in the students' livestock judging program at the Missouri State Fair Monday was that of Rolla J. Plattner of Malta Bend. The contest, held in the judging arena of the swine pavilion, was open to students under 25 years of age who have never attended an agricultural college or have never been engaged in major stock judging contests previously.

Superintendent of the contest was Horace M. Hunt of Harrisonville, who was assisted by O. R. Tripp of Aurora and J. U. Morris, Sedalia, judges.

Contestants were asked to rate animals in the various classes and to be able to advance reasons for their decision. Following are awards by classes:

Beef cattle — First Rolla J. Plattner, Malta Bend; second Jas. Elliott, Versailles; third Robert Hoehns, Sedalia; fourth Raymond Haverland, Deepwater; fifth, G. B. Thompson, Sedalia.

Draft horses and mules — First Alvin Boes; second and third (tie) Bernard Dudenhalfer and Rolla J. Plattner; fourth Billy Glenn; fifth Kenneth Heins, Carrollton.

Hogs — First Rolla J. Plattner; second James Elliott, third and fourth (tie) Robert Hoehns and G. B. Thompson; fifth Raymond Haverland.

Sheep — First James Elliott; second and third (tie) Rolla J. Plattner and G. B. Thompson; fourth Wayne Barrett, Archie; fifth Gene Gerit, Versailles.

Dairy cattle — First Rose Marie Erickson, Amsterdam; 2nd, Robert Lee Mangold, Amsterdam; third Mary Catherine Brown, Pleasant Hill; fourth Frances Gregory, Amsterdam; fifth John Travis Gerber, Versailles.

Prizes awarded in this event totaled \$175.00.

William Jake Ward, secretary of the Illinois State Fair, Springfield, Ill., was a visitor in Sedalia Tuesday and guest of Secretary Ernest W. Baker at the Missouri State Fair. Secretary Ward was accompanied by several members of the Illinois fair board. He announced Tuesday the Illinois fair dates have been set, but they are for 1946, it being too late for a fair this season. Illinois fair-goers will see their first postwar fair at Springfield during the dates of August 9 to 18 inclusive.

"I think Missouri has a fine exposition this year in spite of the sudden end of the war. Of course the fair is short of exhibitors and exhibits, but what they do have are good," Ward said.

Story of E. C. Stevens In Capper's Farmer

E. C. Stevens' success in seeding legumes from straw on his farm near Sedalia in Pettis county, is described in a story in the September issue of Capper's Farmer.

"When Stevens spread a ton of alfalfa straw on four acres, he got the best legume stand he ever had," the story in the nationally circulated farm magazine pointed out. "There was an acre more in the field than the straw would cover. He put six pounds of seed on it and got a stand about half as dense as that obtained from the straw."

Played Major Heroic Role

KANSAS CITY, Aug. 22.—(P)—Lt. Arthur McQuiddy, former member of the Kansas City Staff and pilot of a Catalina Flying boat in the Pacific, played a major role in the heroic efforts of a "Dumbo" squadron, which rescued a total of 125 downed airmen from the sea.

McQuiddy is the son of Mr. and Mrs. J. H. McQuiddy, formerly of Sedalia, Mo., now of St. Louis, and was in rescue work for 15 of the 28 months he was overseas.

The 27-year-old Missourian holds the Distinguished Flying Cross and two Air Medals for rescues made during open sea landing. The D. F. C. was awarded for flying under enemy fire to rescue a wounded fighter pilot shot down in a Jap lagoon. On another occasion he brought to safety ten members of a B-29 crew who had been adrift in lifeboats for 39 hours.

While the normal crew of a Catalina is nine men, McQuiddy said he once had a load of sixty-six. The big planes were dubbed "Dumbos" during the Solomon campaign.

McQuiddy himself was once rescued from the sea, after his plane lost an engine near Truk.

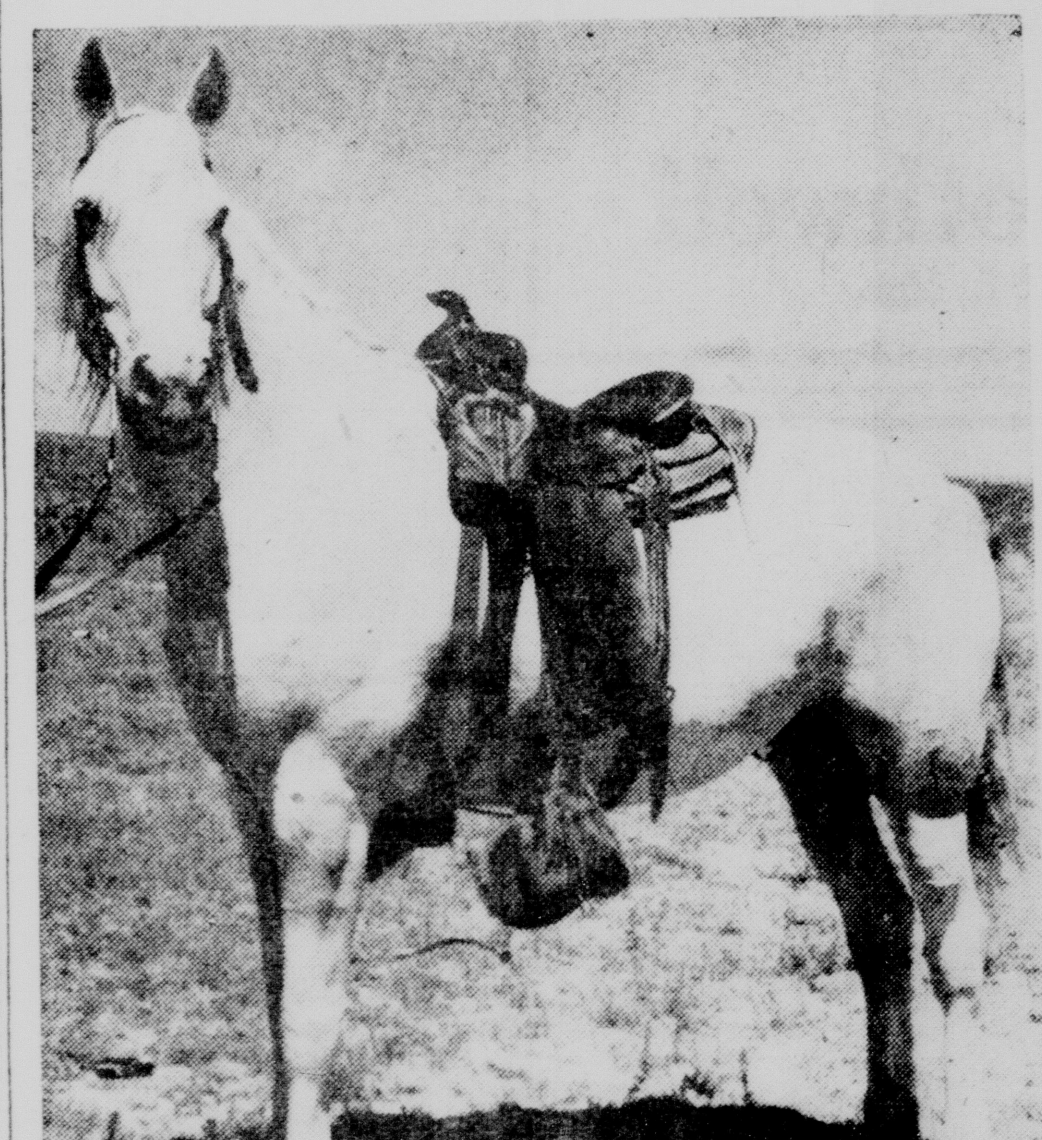

He is now home on leave and will report later to Pensacola for further assignment.

The clown, painted by John E. Reiley, 1545 McLaran, St. Louis, was declared very outstanding in the 1945 Missouri State Fair Fine Arts competition by Raymond K. Kennon, Springfield, Mo., judge of the show.

A red clown, bright and lifelike with a flying trapeze background, spirited and perfectly framed, showed great talent on the part of a student of Frank Nudersher with less than two years work.

Miss Rosemary Chappie, Pilot Grove, with nine entries in two departments, wood carving and water colors, was commended by Mrs. Dorothy Truitt Clifford, Sedalia, superintendent of the show. Miss Chappel took firsts in both fields.

Rent Control May Be Scrapped In Spots

WASHINGTON, Aug. 22—(P)—Rent control may be scrapped very shortly in cities and towns where the shutdown of army camps or war plants deflates their swollen wartime populations.

So stating Tuesday OPA officials reported that the rent ceilings would be kept clamped on for a

considerable time, however, in areas of regular large-scale industrial activity.

In these, the rent lid will not be lifted for several months, it was estimated.

By Leon Henderson

WASHINGTON, Aug. 22 — Little news has escaped so far from the deliberations of the reparations commission which met in Moscow several weeks before the Potsdam Big Three conference, supposedly to settle what Germany is to pay. It is generally assumed that the Potsdam decisions on war booty, restitution and reparations were based on the work done in Moscow by the reparations commissioners — Sir Walter Monckton for Great Britain, Ivan Maisky for Russia and Ed Pauley for the United States.

But, as a matter of fact, the Moscow conference, though it adopted an eight-point formula of general guidance, did not arrive at agreed understanding on the most important topics. So, at Potsdam, results were produced by high grade horse trading between Stalin, Truman and Attlee rather than by weighing statistics and facts.

The Big Three decision did emphasize the disarmament of Germany through removal of industrial machinery, which was one of the excellent points in the Moscow formula. And, in the main, both conferences fixed their attention on Germany's disarmament, rather than seeking maximum reparations. And both, finally, avoided the disastrous Versailles attempt to fix reparations in money terms, although Maisky, at the beginning of the Moscow conference did advert to the \$20,000,000,000 total discussed by Stalin and Roosevelt at Yalta. Roosevelt had agreed to accept \$20,000,000,000 as a basis for discussion, but Churchill remained completely silent.

The Potsdam disagreement to remove excess machinery from the Ruhr, and other French-British-American zone industrial regions, also served to remove some of the Russian suspicion that the British would work for a strong Germany as a bulwark against Bolshevism.

But another decision, reversing the Moscow agreement, may sow the seed of future conflict between Russia and her Allies. Maisky, Monckton and Pauley had agreed to treat Germany as a single region for reparations purposes. When the delegations arrived at

the formal Moscow sessions began with the proposal by Maisky that the Yalta formula be followed. This divided reparations into three parts — 56 per cent for Russia, 22 per cent for the United States and 22 per cent for Great Britain, with reductions for each to meet the approved claims of other allies. (Keep in mind that France assesses her war damage at \$97,000,000,000. When Monckton and Pauley conferred, Monckton said his government had instructed him to seek more than 22 per cent and that he had a factual memo to document the equity of the claim.)

Pauley, however, told Monckton "My answer is 'No' — I'm not going to finish this conference as low man."

Pauley had statistics to show that the U. S. had borne 60 per cent of the war's cost and he wanted a dollar value placed on all war booty and restitution already taken by the Russians and the French. This argument, in the end, was dropped.

Russia, in effect, will get approximately \$4,000,000,000 worth of capital equipment removed from Germany, which will give her roughly one-half of such reparations.

Forced Labor Ignored

Neither at Moscow nor Potsdam was a decision reached on Russia's demand that Germany deliver part of her annual production for ten years. Nothing was said about the delicate question of forced labor to repair devastated areas. Nor was a decision reached as to what the French, the English and the Americans

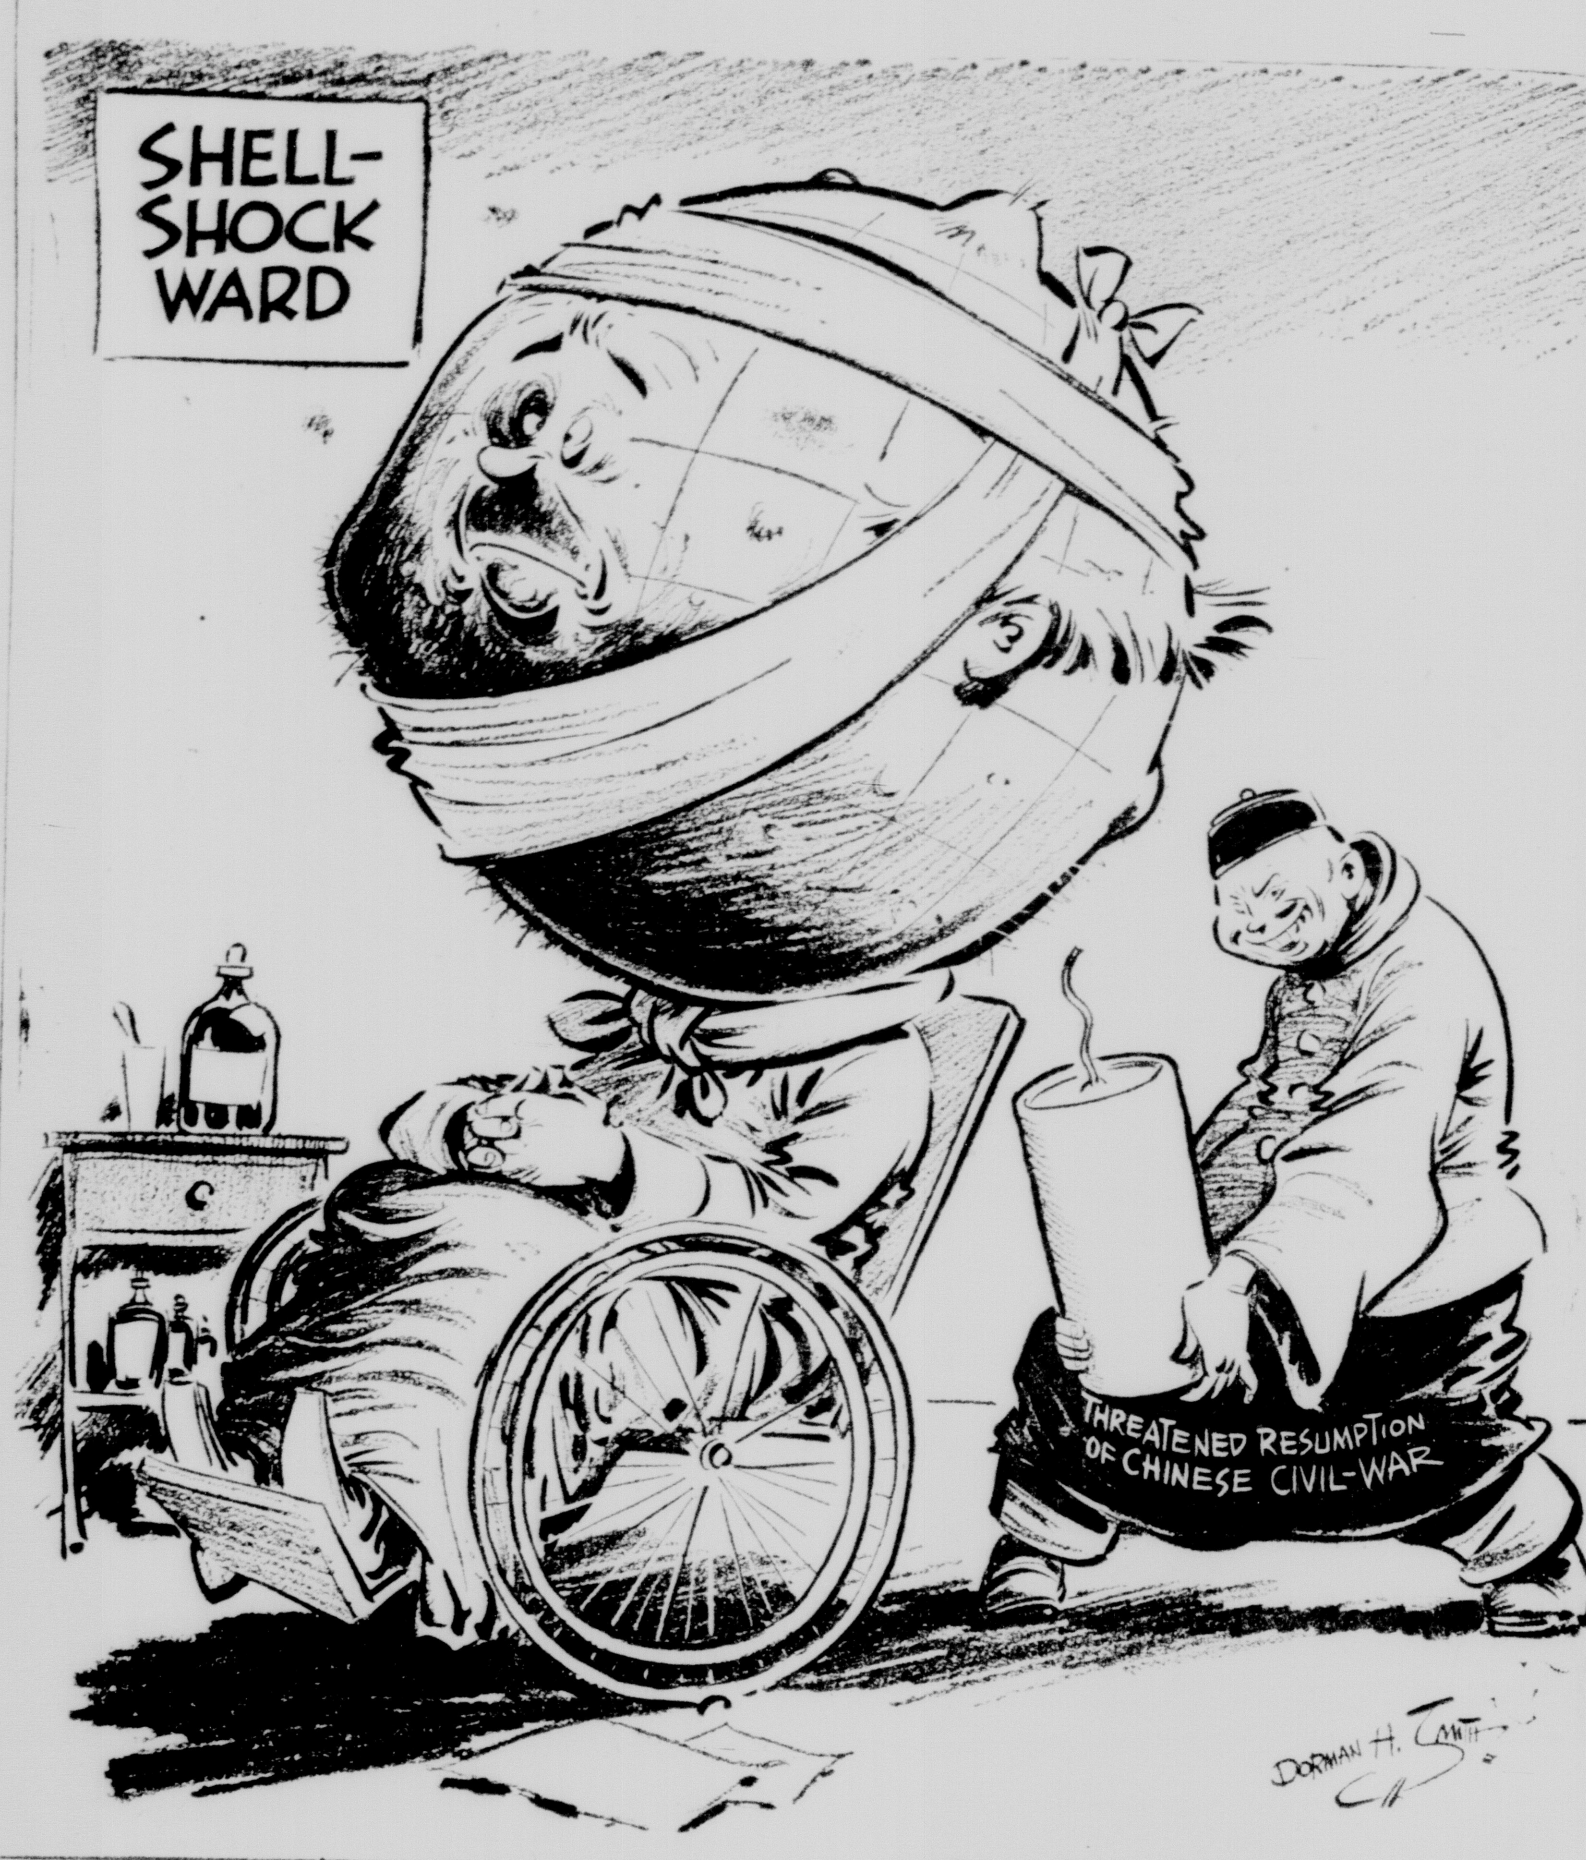

who play in the high school band. Think I'll try to get there myself for Editor's Day.

From where I sit, our country has grown great on state fairs, family reunions, little gatherings in the home and all the other truly American institutions that help us to be tolerant of the other fellow's taste, whether it applies to neckties or books or beer.

Please, Please Not Now!

Potsdam, however, Luther Gulick of Pauley's staff personally gathered evidence that the Russians were removing as war booty entire plants, like sewing machine factories, from Berlin.

Gulick wrote a hot report to Pauley, who told Maisky that Russia, by proceeding on a zone basis, had destroyed the agreement. The next day the Russians filed a memo to show that the United States had done the same thing in the Russian zone by grabbing laboratories and 1,000 German scientists.

So the final Big Three settlement really partitions Germany into two administrative parts — a Russian zone in the east and a French-British-American zone in the west. The USSR sphere of influence extends unchallenged from the Baltic to the Mediterranean, while her three allies will have constant difficulty in harmonizing their aims.

The formal Moscow sessions began with the proposal by Maisky that the Yalta formula be followed. This divided reparations into three parts — 56 per cent for Russia, 22 per cent for the United States and 22 per cent for Great Britain, with reductions for each to meet the approved claims of other allies. (Keep in mind that France assesses her war damage at \$97,000,000,000. Pauley had statistics to show that the U. S. had borne 60 per cent of the war's cost and he wanted a dollar value placed on all war booty and restitution already taken by the Russians and the French. This argument, in the end, was dropped.

Russia, in effect, will get approximately \$4,000,000,000 worth of capital equipment removed from Germany, which will give her roughly one-half of such reparations.

Forced Labor Ignored

Neither at Moscow nor Potsdam was a decision reached on Russia's demand that Germany deliver part of her annual production for ten years. Nothing was said about the delicate question of forced labor to repair devastated areas. Nor was a decision reached as to what the French, the English and the Americans

who play in the high school band. Think I'll try to get there myself for Editor's Day.

From where I sit, our country has grown great on state fairs, family reunions, little gatherings in the home and all the other truly American institutions that help us to be tolerant of the other fellow's taste, whether it applies to neckties or books or beer.

A SEDALIA Family MOTHER FATHER AND CHILDREN WENT TO THE FAIR THE OTHER Afternoon THEY HAD A Good Time THERE WAS Lots TO SEE AND THEY All Went THEIR OWN Way TO SEE What THEY WERE Most INTERESTED IN WHEN IT WAS GOING HOME Time THEY REASSEMBLED AND ALL Was Well UNTIL THE Children SAW THE Spun Candy AND WANTED Some TO MAKE THEIR DAY COMPLETE THE FATHER Bought THEM ALL Some THEN HIS Troubles BEGAN BECAUSE YOU KNOW IT IS STICKY AND PRETTY SOON EVERYTHING THEY TOUCHED WAS STICKY AND THE Last Order ISSUED BY Father BEFORE THEY Arrived HOME WAS "KEEP YOUR HANDS In THE AIR UNTIL WE GET HOME" I THANK YOU

off peace production lines. Bowles has resolved to make the fight knowing that volume production in the months ahead will force prices to ease. He has won his recent battles to hold the line, but he must re-win them every day in order to win his magnificent war for a sound American dollar.

Looking Backward
Forty Years Ago

The rain that fell here yesterday was followed by a precipitation of more than two inches last night, and there were also showers today, all of which had the reverse of a salutary effect on the State Fair attendance.

The Old Settlers' association of Missouri was organized at the south end of the grandstand at the State Fair grounds this morning. Fair Director Frank Hayman called the meeting to order and explained the object in view. On motion, Col. William F. Switzer of Columbia, was elected as chairman and J. L. Hamilton secretary. On motion, all males and females who had been residents of the state for 30 years or more are eligible to membership. Col. Switzer made a short address favoring the permanent organization of the Old Settlers of the state, to meet each year during the State Fair.

Anklets are said to have once more been stamped with the approval of the fashionable world of London, says the New York Press. Those now in vogue are plain gold or jeweled bands. They are worn with ornate high heeled slippers and are counted quite the prettiest bits of jewelry that London has known since the darkest ages. Some of them have mottoes inscribed about them in jewels so tiny that they hardly meet the eye at first, although there is no

APPEAL TO COLOR

VIII
IN addition to saving the world from war by making the Japanese Emperor the Emperor of the world, and saving humanity from the evils of western civilization by spreading Japanese Kultur, the Japanese warrior gods and Shinto scholars have discovered another divine mission imposed on them by Heaven. It is the salvation of the colored races from the oppression of the white man. This salvation is to be achieved by nothing less than the extermination of the whole white race from the face of the earth.

On that basis, Japan has appointed herself the champion of the colored races and has conducted a powerful and persistent propaganda to rally them to her standard. She holds before their eyes the sins of western civilization; she tells them that the colored races constitute two-thirds of the world's population but control only one-tenth of the earth's surface; and she impresses on them that Japan is the only power strong enough to beat the white powers, as shown by the Russo-Japanese war. In return for their support, she holds out to them the prospect of being put under the Imperial Japanese benevolence.

Fierce Racial Pride

It is the conceit of many white men that all the other races really envy them and would like to be accepted in their company, which is the cause of a certain condescension in them, sometimes tinged with pangs of conscience that they should feel that way. But no racial consciousness of the whites can possibly compare with the fierce racial pride of the Japanese, to whom the white man has always been the "red-haired barbarian." Nor is there anything in the white man's make-up to match the burning hatred of many Japanese for the whole white race. Because of long seclusion and inbred clanishness, the Japanese have no love for any strangers, including those of their own skin pigment. But it is for the white man that they reserve their most savage hymns of hate, and they sing with joy when white men slaughter one another in recent wars.

There is no doubt that Japan's swift rise to world power has done much to awaken Asia and set it on the march toward self-determination and independence. If Japanese propaganda were to have substantial success it would store up dynamite in the East which could blast the world asunder. But her appeal to color prejudice has been Japan's greatest failure. For at a time when the white colonial powers, learn-

ing from past mistakes, have set to work to rectify their errors, Japan has embarked on a course of oppression and exploitation so brutal that all Asia, and India, too, is looking to the white powers for help in throwing off the Japanese yoke.

"JAPAN is the saviour of humanity and especially of the oppressed races."—War with England and Liberation of the Oppressed Races, by Toraharu Okura, Tokyo.

"We must awaken at once from European and American hallucinations, and give the peoples of East Asia a history of East Asia centered about Imperial Japan, and a myth of the establishment of a new world based on Imperial Japan."—Kyoiku doin Keika no sho (A plan for educational mobilization), by Takeya Fushimi, Tokyo, February, 1940.

Crimes of the White Race

"Today the world's population is two billion, of which the colored races are two-thirds, double the number of the white race. But the white races hold nine-tenths of the earth's surface and the colored races only one-tenth. This is certainly unjust."—Nippon no Sennin (The Advance of Japan), by Hidejiro Nagata, Tokyo, 1939.

"The various countries now in East Asia are objects of the white race's oppression. The already awakened Japanese Empire can no longer allow them to tyrannize any more."—Gen. Sadao Araki, 1933. Documents illustrative of Japan's National Policy, published by the Council of International Affairs, Nanking, China.

Plane Business Will Be Good NE WYORK, Aug. 22—(AP)—Despite the sharpest contraction in dollar volume ever suffered by an American industry, the nation's airplane manufacturers held hopes today of a more than \$1,500,000,000 output in the next 12 months. A survey of the country's No. 1 war time business, coupled with reports by individual plane makers to the securities and exchange commission, showed that seven companies alone now have orders for approximately \$1,000,000,000 on their books.

Sports Events To Take Over At State Fair

Friday Night Opens
Wrestling Season:
Boxing Saturday Nite

Sports will take over Friday
and Saturday night at the Mis-
souri State Fair in the large Col-
iseum when on the first night a
wrestling show will be held and
the following night boxing will
take the spotlight. The two
sporting events are sponsored by
the Pettis County Post No. 16,
American Legion.

To give a variation in wrestling
Promoter Simon Kalis and Gus
Karras, matchmaker, are intro-
ducing two matches in which men
will participate and one with two
women wrestlers. Both matches
in which men are appearing have
participants who are well known
to the Sedalia and Central Mis-
souri wrestling fans, while the
women wrestlers bring together
June Byers, Dallas, Texas and
Elvira Snodgrass of Smoky Moun-
tain, Tenn.

The women will go for the best
two falls out of three with a 90-
minute time limit.

In the semi-windup Don Mc-
Intyre, central Missouri's own
star, who hails from Otterville,
and Sedalia, will meet Jerry
Meeker, Columbus, Ohio. They
will wrestle for the best two falls
out of three with a 45-minute
time limit.

Marshall Estep, the postmaster
from Sturgeon, and Sonny Myers,

ling for the best fall with a 30-
minute time limit.

Promoter Kalis promises a full
evening of thrilling entertain-
ment when the opponents in these
three matches clash. The show
also marks the opening of the
fall wrestling season in Sedalia.
Saturday night twenty-four
boxers with high amateur rat-
ings will appear. Many of the

Sports Roundup

By Hugh Fullerton, Jr.

NEW YORK, Aug. 22.—(AP)—The
impression somehow has got
around that the National league
pennant already belongs to the
Cubs, but Jolly Cholly Grimm
would be the first to tell you it
ain't necessarily so. . . Grimm can
easily remember the 1935 strug-
gle, when his club won 21 straight
games in September to beat out
the Cardinals. . . And there's
a series starting Friday in which
that situation easily could be re-
versed. . . In 1935, the Cubs
were in third place on Labor day
then went into a winning streak
that didn't stop until they beat
the Cards three times to clinch
the pennant. . . The Cards, now
5½ games behind, play the Cubs
a dozen times before the end of
this season and they have already
beaten Chicago seven out of ten
games. . . It's enough to make
Grimm grim — especially when
he remembers how he lost his job
when Chicago made a bad start in
'38 and got it back again last
year when Jimmy Wilson couldn't
stand a ten-game losing streak.

Quote, Unquote —
Rocky Graziano, on hearing
welterweight champ Red Coch-
rane's threat to meet "dirty
fighting" with similar tactics:
"How can he do it? Only bums
like me fight that way. He's a
champ."

Promoter Harry Mendel says
that only the lack of crude rub-
ber needed to make racing tires
is holding up the return of six-
day bike racing. . . That ought
to be scored as a point for the
Japs in the peace negotiations. . .
When freshman halfback Phil Co-
lella and end Matt Maryanski got
together on the Notre Dame foot-
ball field this summer, it was
their first meeting since they had
been together on a navy hospital
ship in the Pacific. Colella was
a navy corpsman and marine
Maryanski was recovering from
malaria at that time. . . The third
Tony Janiro-Johnny Greco scrap
in the Garden will take place on
Sept. 28. . . Tuffy Leemans
won't coach the grid Giants be-
cause his laundry business in
Washington requires his atten-
tion. That must prove the war's
over when someone really pays
attention to the laundry.

Thrill Show Clown

Joe Reilly, king of all clowns,
will add the comedy relief to the
All-American Thrill Drivers pro-
gram at the Missouri State Fair
Sunday afternoon, August 26.
Thrill Day. Reilly evokes the
laughs and gasps from spectators
by sitting nonchalantly on the
end of ramps while racing auto-
mobiles miss him by inches.
What might happen to Jo-Jo
were a tire to blow is a matter
of speculation.

Reilly has trouped with all the
major circuses for the past twenty
years, but claims that when it
comes to real thrills the All-
American Thrill Drivers give not
only the spectators the greatest
number during their two-hour
performance, but that the stunt-
men and performers receive more
unexpected thrills than in any
other type of program due to
the high speed in which the
events are run off and the un-
expected twists that occur when
a ramp snaps, a tire rolls or a
wheel comes off during the mo-
tor racing events.

tion center at Navy Pier, Chicago. (NEA photo)

Hopeworth Lee at Goshen, N. Y.,
probably can be blamed on odd
odds. . . Joe Hylan was warm-
ing up the oat burner for a race,
jogging the wrong way on the
outside of the track. . . Hylan
turned to look at the mutuel board
and tightened up on the reins.
Before he knew it Hopeworth
Lee had crashed into a patrol
judge's car parked in front of the
judge's stand, climbed the hood
and jammed his head through the
windshield. . . The horse severed
some tendons trying to get
free of the windshield and had to
be destroyed.

NEW CARS? NOT YET— NOT SOON!

Keep Your Old Car Fit
Till New Cars Are Here

Reconversion is a slow process . . . materials
for new cars are still scarce . . . and the first new
cars will be rationed to essential users. So, don't
count on getting a new car for months, even a
year or more, to come. And, in the meantime,
don't let your old car go to pieces. Regular lubri-
cation, adjustment, tune-up and inspection will be
needed if it is to last out the remainder of the
"car shortage."

PIN-WORMS

Now can be Beaten!

The misery of Pin-Worms has been known for centuries, and millions of victims have sought a way to deal with this pest that lives inside the human body. Today, thanks to a special, medically recognized drug (gentian violet), a highly effective treatment has been made possible. This drug is the vital ingredient in **P-W**, the Pin-Worm tablets developed in the laboratories of Dr. D. Jayne & Son.

The small, easy-to-take **P-W** tablets act in a special way to remove Pin-Worms. So don't suffer in silence with the embarrassing rectal itch caused by this only, stubborn pest. Ask your druggist for a package of **JAYNE'S P-W** and follow the simple directions carefully. Satisfaction guaranteed or your money back.

Nylons At Least By Christmas

WASHINGTON, Aug. 22—(P)—Gals, you can buy nylon stockings by Thanksgiving, or anyway by Christmas, the War Production Board indicated Tuesday.

WPB has revoked order M-356 which controlled production and distribution of nylon and rayon.

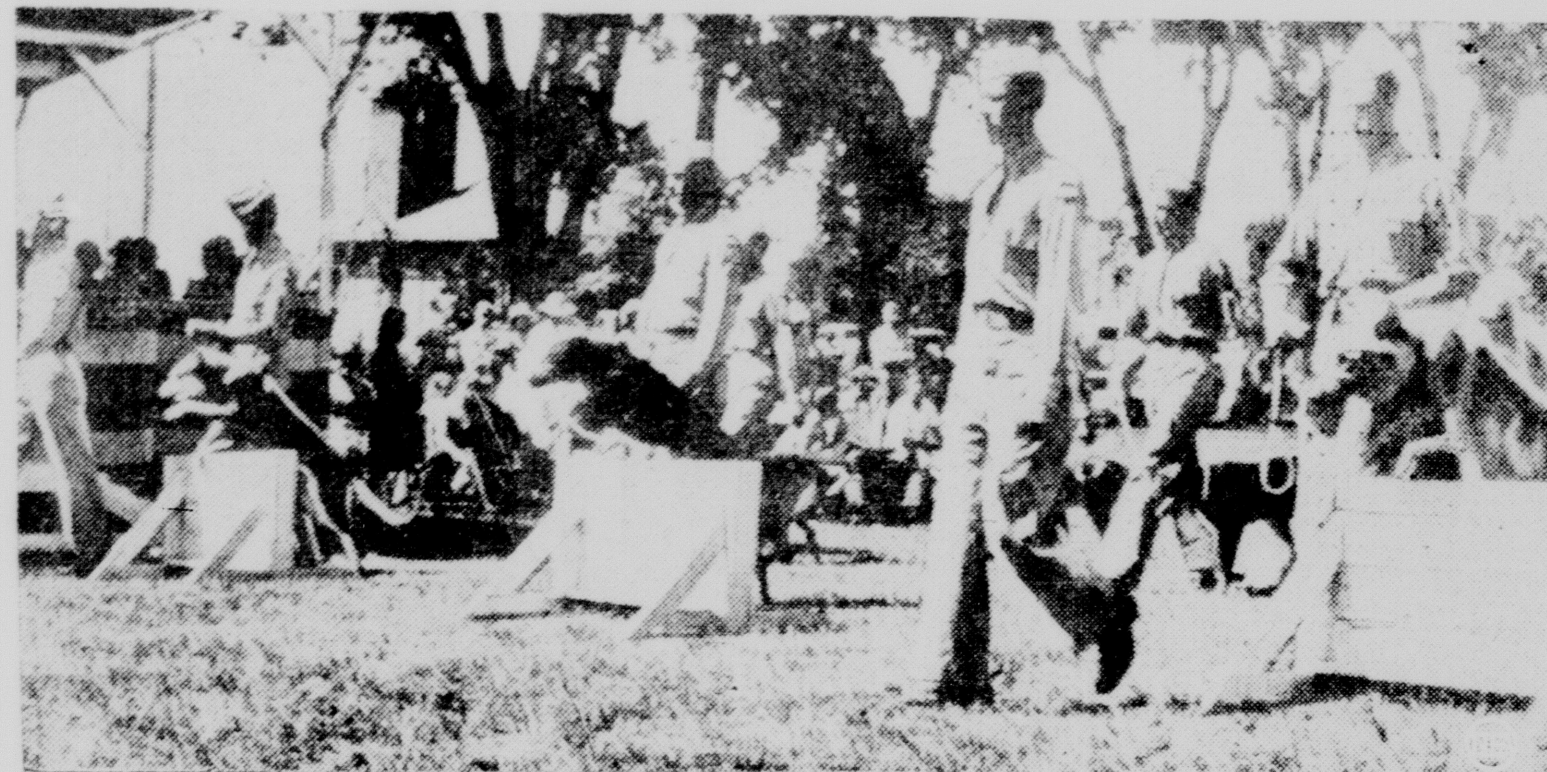

This leaves the manufacturer of nylon hose blocked only by an order issued at the beginning of the war which prohibits the use of nylon in making women's hosiery.

But WPB said it has started action to amend the conservation order so that nylon may be woven into the stockings that every woman wants.

Meantime, WPB said, nylon can be used immediately for mak-

Petitions A Divorce

Mrs. Alberta M. Hood sued for divorce from Ralph W. Hood in a petition filed Tuesday in the Pettis county circuit court. The couple married June 7, 1930.

The plaintiff, who is represented by the law firm of Montgomery, Martin and Salveter, asks

for care and custody of the couple's minor daughter.

The petition states that property settlements have been made.

Jacks and Jennets

The State Fair mule show is said to be the biggest in ten years, with 114 entries, seventy-five of which are being shown. Nearly all the entries are streamlined red sorrels, a few greys included.

Harry D. Linn, Des Moines, Ia., judge of the 1945 jacks and jennets of the fair, pronounced the quality well up to Missouri standards. Following are the winning animals and their owners:

Chicken Bone Lodges In Child's Esophagus

Donald Alan McCarty, five year old son of Mr. and Mrs. Frank McCarty, Jr., of Houstonia, was taken to the University of Kansas hospital in Kansas City Friday for the removal of a chicken bone which had lodged in his esophagus. The child swallowed the piece of bone last Wednesday while eating the neck of a chicken. The bone in his throat became very painful and the child was taken to the hospital where it was removed by Dr. John L. Meyer of Kansas City. He is now at his home in Houstonia and getting along nicely.

"Us Gremlins is boilin' mad!"

TAKE ME : : : me job was to make tings go wrong wid American planes.

"One day, I spots a B-29 taking off fer Tokyo. 'Boy, oh Boy!' sez I, '3800 miles fer me to louse tings up!' So I climbs aboard. First ting I figure to do, since the Saipan sun wuz blazing hot, wuz to make the grease bleed out of the controls. Dat's a quick way to ruin a plane, see.

"But nuttin' doing . . . dey had an aviation lubricant that stays on the job no matter how hot the tropical sun gets.

"An' dat wuz only the first outrageous ting.

I couldn't get nowhere wid rust . . . dey had rust preventive lubricants.

And even wid the load they had aboard, I couldn't hold 'em back on the take-off : : : dat new aviation fuel's got too much power.

"But all the time, see, I'm saving up me dirtiest trick of all.

"Me time is coming," sez I, "when the temperature gets down to 60 or 70 below 'n the Jap Zeros come diving in."

"But youse know what? I couldn't do a ting, see. Outrageous! Them aviation lubricants never felt the cold. All the complicated controls and machinery worked perfect. Dey knocked down the Zeros, blasted the daylight out of Tokyo, an' got home safe.

"Dat's why I'm boilin' mad. An' why shouldn't I be! Standard Oil is unfair to us Gremlins."

Standard Oil "know how" in the field of aviation fuels and important specialized lubricants will be of service to motorists. Important advances in this field of petroleum science mean advances, too, in the products your car uses. Set your hopes high . . . there's a great day coming . . . at the sign of STANDARD SERVICE.
